SINCE 2016

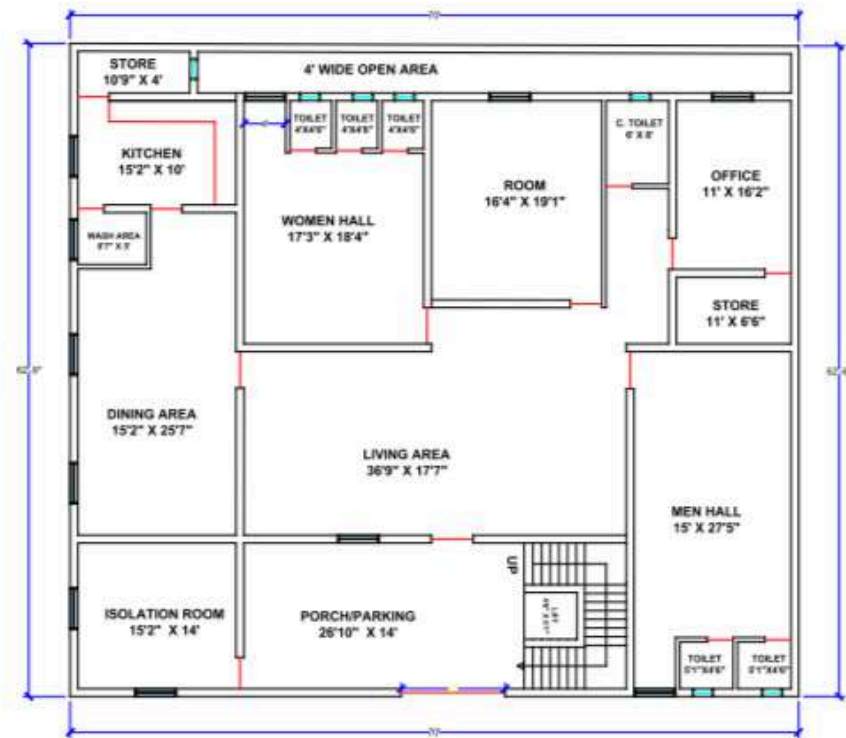

Overview

Artistic Vibes Foundation was founded in 2016 by Tripti Luniya. It all started when Tripti & her team mates made specially-abled kids learn art & craft & here the journey began. Via the artistic Vibes foundation, the team has organized a lot many events where they spread smiles to specially-abled kids, homeless people, old age people & stray animals. The aim of the Artistic vibes Foundation is to **spread smiles**.

OUR NEW ASHRAM

We're excited to unveil that we are constructing new ashram, designed to cater to the needs and desires of over 150 grandparents. Our facilities offer a blend of comfort and convenience, ensuring a serene environment where elders can find solace and joy. From spacious living quarters to recreational activities tailored to their interests, every aspect of our ashram is crafted with love and care. Our dedicated staff is committed to providing personalized attention and support, ensuring that each resident feels valued and cherished. Join us in creating a vibrant community where our beloved elders can live their golden years to the fullest, surrounded by warmth, companionship, and fulfillment.

OUR NEW ASHRAM

Budge details of construction:

The proposed building comprises two floors, each tailored to meet specific needs. On the ground floor, amenities include halls for both men and women, a kitchen with storage, a dining area, an isolation hall, a porch, an office with storage, and an activity hall. Meanwhile, the first floor features men's and women's halls, a balcony/activity area, a common hall, and a staff hall. With a total budget of approximately 2crore 9 lakh, the design prioritizes functionality, versatility, and cost-effectiveness to ensure the building serves its intended purposes efficiently.

Artistic Vibes Foundation is working for society for 9 years with utmost energy and spreading smiles. We would love to continue spreading smiles like this in the future with your support.
